The movie had been dubbed into Hindi on 3rd May, 2017 which was then aired on Zee Cinema at 11:00 am the same day. This article will provide details about how to download and watch Sikandar Hindi dubbed movie through various media channels such as torrents and websites etc. The plot of this movie is quite similar to the plot of the Bollywood movie "Special Chabbis." After training in Russia, Sikandar joined BOSO, India's intelligence agency. He was one of its most celebrated agents that earned him a reputation for being 'India's James Bond'. However, his wife does not believe in his job and lives in denial about it. She believes that Sikander is out on some official work. She believes that he loves her so much that he will never lie to her. But what she doesn't know is that Sikandar has an affair with Smita (Manjari Fadnis). During a mission in France, Sikander meets Smita and immediately falls for her. He tells his wife to divorce him and she does so after a lot of persuasion. Soon after that, Sikandar and Smita marry in France and then settle in Mumbai. The couple decides to have a baby but his wife gets pregnant very soon. Sikandar is appointed as the chief of BOSO by the Indian Prime Minister (Arunoday Singh) after the retirement of Kaul (Rajesh Sharma), where he continues to serve until 2003. When his child is born, he realises that something is different about him. He does not feel any emotions towards his child. He tells Smita about it and they decide to give him a DNA test. When the results come out, Sikandar realises that he is not the biological father of his child. It is revealed that it was Smita's husband Rohan (Manav Kaul) who had provided the seed during a family vacation in France after they got married. The realisation causes a lot of trouble between Sikandar and Smita, causing her to confess everything to her husband Rohan after she gets drunk one night, which causes tension between them as Rohan had always loved her since their college days. In 2003, Sikandar becomes paranoid after seeing a post on a website from an unknown source telling him that they were watching him. He starts getting random phone calls from a mysterious person who knows about his personal life and also knows his whereabouts. This causes Sikandar to go into hiding and lose trust in everyone he knows. Sikandar finally finds out that it was his own boss Kaul who was the mastermind behind all this as he wanted Sikander to retire as early as possible so that he could take over as chief of BOSO and ensure promotions for himself. After everything is revealed, Sikander goes to confront Kaul, who has been listening to this whole conversation via a bugged wire.
